開大為配合政府提倡全民運動，提升社區運動活力，並與世界各國開大校進行運動交流，特舉辦2011開大國際籃球邀請賽。於5月14日開大大學及社區體育發展處。

開大為提倡國際化，於世界各國五十餘所大學結成姊妹校，進行學術交流及交換學生等合作機會。此次2011開大國際籃球邀請賽邀請到美國聖路易大學、韓國高麗科技大學、加拿大英屬哥倫比亞大學、日本國立北埼玉大學等四所姊妹校一起共襄盛舉。並邀請國內台灣大學、交通大學及淡江大學進行交流。

開大國際交流處表示，本校經過運動而結識的各國姊妹校達十餘所，希望透過此次邀請賽讓開大學生和外國學生能近距離接觸，促進國際交流，也鼓勵開大學生到國外交流。此次更邀請到韓國籃球校校長Kho Jun-Hyung擔任比賽嘉賓，讓各國

姊妹校感受開大與學生對各國開大校的支持與熱情。

高校長表示球賽進行三天，場場精彩。籃球運動在國內一直是深受歡迎的一項運動，本校連續六年舉辦，對推廣這項全民運動之外，也有希望透過與外國姊妹校的互動達到國際交流的目的。今年更希望透過運動能向下扎根並在地化，邀請姊妹校鄰近的中小學共同參與。

5月19日特別邀請美國聖路易大學的球員們到本校與開大和美國開大中小學的小學生打籃球。美國教練Joe Reilly表示，基本動作、運球、投籃等以這四種方式示範教學，小學生都很投入。開大校長高文表示，小學生對籃球有興趣，

以和外國球員互動，所以藉此機會邀請小學生一起來學。球員們把所學的經驗傳授給小學生，並展現籃球運動，也讓小學生能藉此機會和外國球員互動交流，認識不一樣的國家和文化。

開大校長高文與一許訪賓，與美國聖路易大學的球員進行一場友誼門球賽，在球員面前大顯身手。該比賽由分別在場賓A、B組獲得三連勝的加拿大英屬哥倫比亞大學和開大爭得冠軍。經過一番激戰後，最後由加拿大英屬哥倫比亞大學獲得冠軍。由開大大學街獲得冠軍。

心得感想

我是今年暑假才到開大的轉學生，在學期開始後不久，我對在國際事務中心的這份工作，也感到這個機會，能參與在這次開大的國際籃球邀請賽，不僅可以欣賞到精彩的比賽，同時也能與許多外國球員交流，這是我在開大學習的其中一個目標。

而在這次比賽中，我擔任的工作大部分是以接待美國隊為主。記得有一天在開大門外等著籃球邀請賽到來時，還在擔心外國球員不會來，但這些外國球員在下午時分熱烈的自我介紹而化為烏有。在這些外國球員的到來，對這些外國球員來說也是個新奇。他們大部分的球員也都是初次來到台灣，學校也使用心地安排了許多活動，例如在比賽的白天時，帶領球員到觀光景點參觀。讓這些球員不僅可以體驗籃球之外，外國球員也有機會瞭解台灣的文化，並能和台灣學生有交流。而我對他們最深刻的印象，就是他們對籃球的熱愛。一如他們平時對籃球的熱愛。在籃球場上，一個動作、一個動作、一個動作，他們都是那麼的認真及防守。覺得他們能在比賽中如此認真，對籃球最熱愛的高興與自豪，我認為這就是他們熱愛學習的態度，不論是課上還是課下生活中。

能在這個國際賽事中幫忙真是一個很棒的機會。雖然一個星期時間就過去了，但過程是令人難忘的。各國球員在互相切磋球技外更豐富的認識及交流了文化，希望這一年一度的活動能一直延續下去。

A day of massive fun

Back to back 2011 Opened a new chapter for me. I have never seen so many people from different countries in my life. I finally had a wonderful experience. I wish I could come back to this year. I have had a wonderful experience. I wish I could come back to this year. I have had a wonderful experience. I wish I could come back to this year.

June 6, 2011 the weather was lovely and pleasant. In the morning a lot of people came from all over the place and it was the best time for foreign students to join the festival. By that reason the social atmosphere were seemed to be surprised. I felt it, however, they have all given us a warm welcome with kind of cheering. In addition, our race was much easier on the road rather than competing on the water. The only have been in Danyang.

This was the most unforgettable experience in my life and a day of massive fun. Here by I would like to give a special thank to Chairman's support and the opportunity he has given us.

Better than Books and Magazine

By Brinne Nikki Felix Alibabud

Years of my life existing, I wouldn't be that aware about Dragon Boat Festival but when I had the chance studying in a Chinese country, that's when I get to witness and even fortunate to join the event. First, life experiences can be more meaningful than just reading them by books or seeing them in a magazine or television. I didn't know life experiences would be more tragic if not persuaded.

It was just after our Amazing Race 4th Edition when one of my good friends invited me to join for the Dragon Boat Festival going to be held, Intercompus. I was tentatively facing difficulties that time that I don't want to dwell much on my problems and that I decided to be more active with my lifestyle instead.

For that Intercompus event, we had to race carrying the huge official dragon boat balloon

and making a粽子. By the end of the line then going back to our home base. The International Students representative had two groups, Binni Power and Binni Bambi. I made the name for our group because we are mixes of Black and Asian students. Hence, both team didn't win but we've got the chance to be invited on playing again outside campus due to winning some special prizes. And that's what I love about being an international student. "You get to feel very special in a unique way on just becoming you are."

In that second attempt of joining the Dragon Boat Festival outside our campus, we just had a blast!

We, the international students were composed of one group this time. Our team was named "獅子GAGA". The obstacle was even harder that we needed to be like tarzan to go to the boat one by one and then push it with the perfect timing and counting. During the obstacle I accidentally left one pair of my shoes since I fell in the water so it was slippery for me to run. But I was all great and goodness, we knew in the first place that we won't win since a lot of stronger men are joining. We just enjoyed the opportunity of playing the game.

After the chase, we

just roamed around the booths. Enjoyed the street foods like popular, meat balls and refreshing watermelon shake. There were even motorcycle shows and this cutest and smallest bicycle I've seen in my whole entire life. We also watched these kids who played some kind of a Chinese drum, which was very spectacular because they were so young and you won't hear any mistakes. When we felt tired, we sat down at the seashore, enjoyed the sand since the venue was of countryside. It was a very brilliant event I can never forget that I've joined during my college life where I can be active, giving myself some pleasure in a way and just having a good chat with my friends and discovering some of Taiwan's culture.

Here are some snapshots for you to see how we had a blast for the Dragon Boat Festival.

非核家園不是夢 開大學生大家講

自由、多元是大學校園的特色，而開南大學同學勇于表達的精神與，在多次的活動事件中表露無遺，校方持開放的態度支持同學各項活動。

3月份的日本大地震震出了聞天同學的，在黃鴻卓副校長的帶領下，同學們排起「避難祈福送溫情」，「日本東北義舉祈福」等相關日本祈福活動，而更具新穎點各國對核能安全的爭議，核電站的安全風險問題再一次浮現檯面，這也得不到核電站對生活影響的大，讓他們重新審視自己居住的環境，諸點點引起大學校園中廣泛的思考與討

開南大學4月29日舉辦「核能與我與您」學生大演講，辯論會、友方辯論會由校內師生帶領核能與反核兩派辯論者展開，黃國華副校長表示希望經由此次的活動，以公開辯論的過程，訓練同學的邏輯與批判能力。黃副校長更擔任反核派的指導老師，希望同學能深入的思考，如果將來台灣核電廠出了問題，他們能夠及時做出核電是否真的安全的？核能發電到底是有其必要性的？反核我們又有何其他替代方案？讓校園與社會議題緊密結合。大學生在此公共議題中也不缺席。

在辯論會結束後，學生會將整起活動PO在學校首頁及Facebook粉絲專頁中。
